About Me:

I'm a designer and web developer based in Wellington, I am looking for a fun place to work where I can grow my skills and also make a difference to the company.

My design skills include both graphic design which helps make website look awesome and UX design which makes it easy as for users to navigate.

Skills:

UX Design - personas, surveys, knowledge on user experience.

Graphic Design - with a special attention to colour and typography.

Coding - html, css, javascript, PHP and react have done some redux, python and java previously.

The web-dev course allowed me to learn git, wordpress, laravel and API's.

Uni Experience:

1 year - diploma in web and ux design at Yoobee School of Design.

1 year - visual communication design at Massey Wellington.

1 year - graphic design at the Royal Academy of Art (KABK), The Hague, Holland.
